

GENERAL CIRCULAR

I am directed to refer to the Telephonic complaints for overcharging of Examination fees. The Competent Authority has taken serious notice of such complaints.

It is, therefore, circulated for the general information of all concerned that Examination Fees shall be collected from the students per prescribed schedule in the Notification SSC and HSSC (Annual) Examination, 2018.

Institutions are warned in their own interest not to overcharge. Otherwise strict disciplinary action will be taken against them which may even result in cancellation of Affiliation/Registration.

Aashique
Controller of Examinations
